c carries route branding for Club 22

s carries route branding for Service X34

NOTES

- Slatyford's standard easyACCESS Enviro400 deckers are for use on Services 10, 11 and express Services X77, X78, X79, X82, X87 & X88. The new Enviro400 MMCs are for use on Services 62 & 63 which are fully double deck, while the others operate with a mixture of Enviro400s and single deck MAN 18.220 A69s.
- South Shields' easyACCESS Enviro400 deckers are for use on Service X34.
- Walkergate's easyACCESS Enviro400 deckers are for use on Services 1, 12, 22, 22X, 38 & X63. The Enviro400H hybrids are used on Services 12, 39 & 40 (the latter two enjoying a full hybrid allocation) while the new Enviro400 MMCs are for Services 62 & 63.

- b carries eXpress 24 branding
- d carries Dotty branding
- e carries *Get there with E's* branding
- g carries revised blue *it's a gas* livery
- o carries dedicated livery and branding for Service 100
- r carries Route Learning lettering
- z carries *The Zone* branding

NOTES

- Sunderland's Enviro300NG gas buses operate Services 3, 12, 13, 16 & 20. The three tri-axle Scania's are for interurban eXpress 24.
- South Shields' Enviro300s are for Services E1, E2 & E6, for which 13 carry dedicated branding.
- Walkergate's ALX300 bodied MANs are allocated to Service 18, though they occasionally also cover for Enviro400's, particularly on Services 12 & 22.
- Slatyford's 08-plate Enviro300 bodied MAN 18.240s are allocated to Metrocentre Shuttle Service 100 and carry dedicated branding for such. The 09-plate examples are used on Service 71. The ALX300 and Kinetic bodied MANs can usually be found on Services 10, 11, X47, X77, X78, X82, 87, X87, 88 & X88. The Enviro200 MMCs are for use on Services 30, 31 & 36.
- Teesside Services 36, 37 & 38 are operated by ADL Enviro300s, 16 of which carry dedicated *The Zone* branding. The *Dotty* branded ADL Enviro300s are for services 35, 52, 58, 59 & 61. The unbranded Enviro300s and ALX300 bodied MAN's can be found on any of the other Teesside services.
- **Fleet numbers highlighted in yellow** are non-DDA compliant. As of 1 January 2016 these vehicles can no longer be used in passenger service.
